Banco Santander Portugal is the largest private bank in Portugal, by assets and credit, with a broad customer base and branches nationwide. The bank's purpose is to help people and businesses prosper, in a way that is simple, personal and fair. Through Santander Universidades programme's close ties with U.Porto, it has a crucial role in supporting knowledge transfer and technology-based entrepreneurship through support in events, programmes and initiatives targeted at entrepreneurs, researchers and students alike.

Porto Business School results from a strong collaboration between some of the largest and most important companies in Portugal and University of Porto. Its entrepreneurial DNA – created by companies, for companies, with strong scientific support from U.Porto – allows it to be a top-ranking business school in Europe, through its MBA, Post-Graduation and Executive Education programs. Its Innovation X Hub has been anticipating trends while also supporting the innovation and entrepreneurship ecosystem of the region.

UPTEC supports the creation and development of business projects in the arts, sciences and technologies and hosts innovation centres for both national and international companies. At UPTEC entrepreneurs find the necessary support to turn their ideas into businesses with potential for rapid growth. On the other hand, innovation centres find the space and mechanisms to host and operate their projects, benefiting from the existing synergies with the R&D Departments and interface institutes of U.Porto.

ABOUT

U.PORTO Spin-off

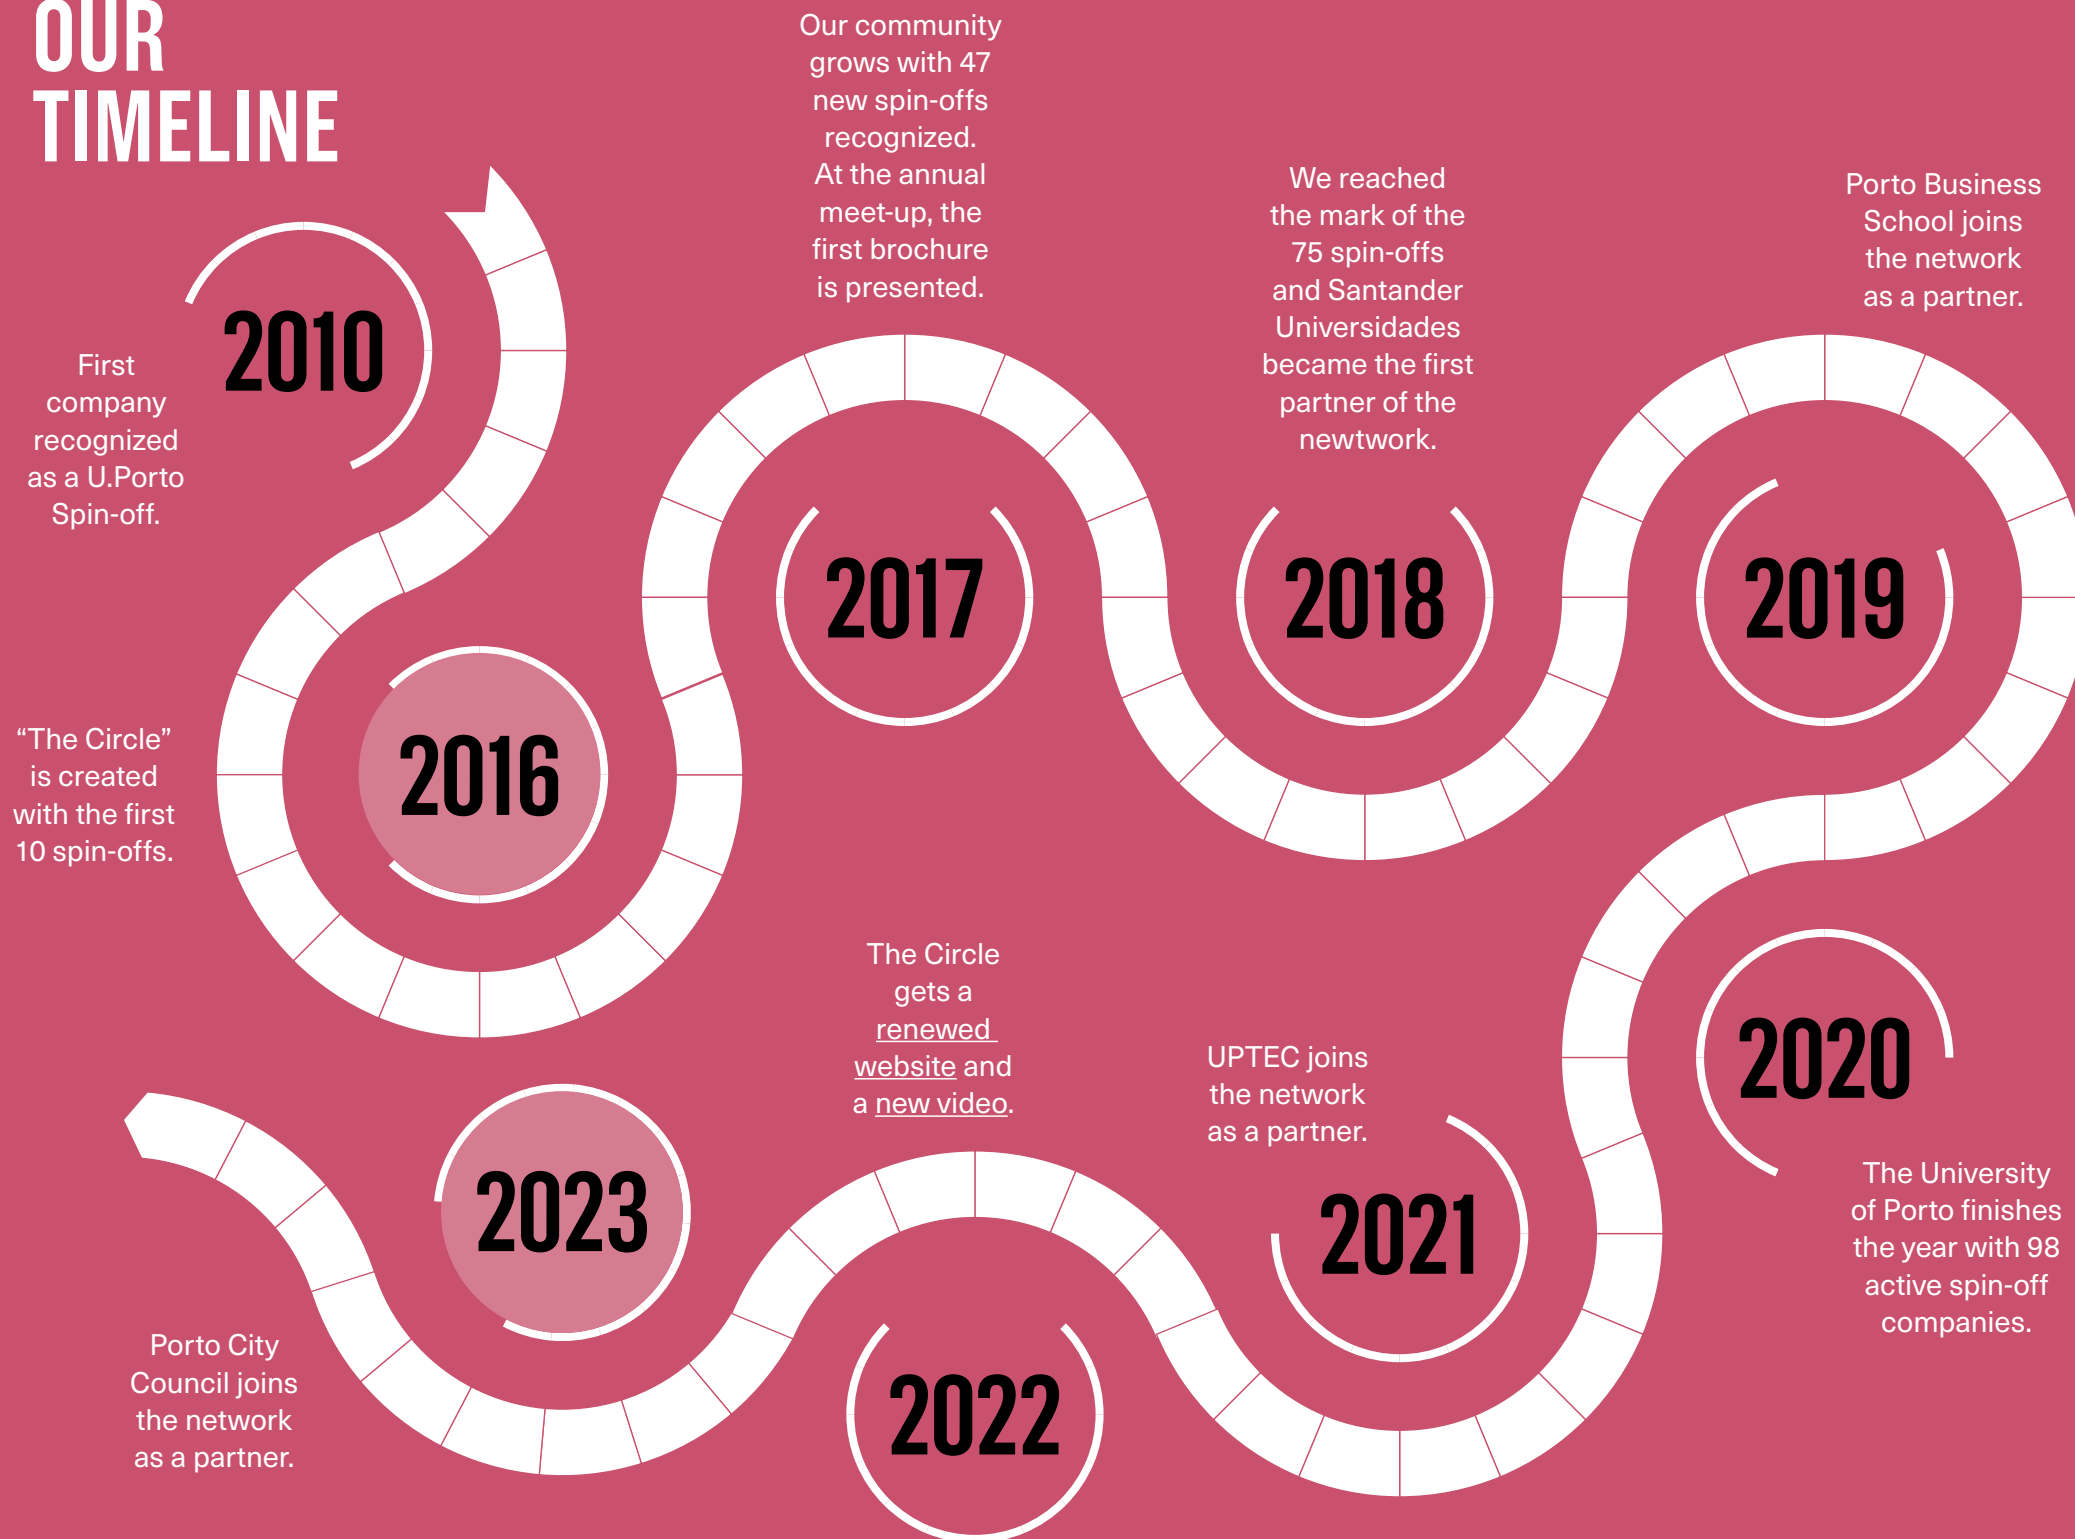

Is a company that has, in its origin, knowledge and/or technologies developed at the University of Porto or resulting from a project or initiative in our surrounding ecosystem. This unprecedented initiative and brand was created to recognize companies that emerge from the University of Porto's entrepreneurial research and innovation ecosystems.

Is the network of U.Porto's spin-off companies which have emerged from the entrepreneurial, innovative and scientific ecosystem of the University of Porto.

U.Porto and these companies work as partners in the development of the ecosystem, fostering the exchange of experiences and the improvement of their processes and business.
